コミックマーケット80 おまけ本

Caution:

This book has no connection whatsoever to the main story.

Kaede not only learns of Nanami's relationship with Yuuna, and Nanami of Kaede's relationship with Sara, but everything ends up coming out between the two of them, sex and all.

That's the setup here.

As usual, please don't sweat the minor details and just enjoy the story.

## Nanami and Kaede Brag About Their Girlfriends

"Hm, it looks like I'll get there 10 minutes earlier than we agreed... That should be just about right."

Oda Nanami moved quickly through the downtown area as she checked the time. Saint Michael's was known far and wide throughout the area as an academy for refined young ladies. Even Nanami was aware of how improper it was for her to be running about dressed in her prim uniform. But right now... As far as she was concerned, haste was of the essence.

"Yuuna Onee-sama... Please wait for me♪"

Today, Nanami had an after-school date planned with her girlfriend, Matsubara Yuuna, a.k.a. Yuuna Onee-sama. It was enough to make her want to skip as her heart beat up in her chest.

"It's been so long since I've had a date with Onee-sama... Ohhh, I'm so nervous♪"

Just the fact that their schedules hadn't matched up lately got Nanami's hopes up even more. Her imagination was running wild with various thoughts, such as what she would say first when she met with Yuuna.

"I'll bet Yuuna Onee-sama will just greet me with a lovely smile... And then I don't think I'll be able to keep this thing from leaping out of my chest..."

*"Yuuna Onee-sama~ I was looking so forward to seeing you~."*

*"As was I, Nanami."*

"We'll embrace each other tightly. And then, out of nowhere, Onee-sama will... Kiss me... Aiiieeee!♪"

*"O- Onee-sama... Don't do that out here..."*

*"But I was just so happy to see you, Nanami, I couldn't help myself. Can't I give you a kiss for all the times I haven't been able to?"*

*"Onee-sama... I- I'm happy to see you too... So I- I'll..."*

"I'll kiss you too... Ahh, I can't! I could never say something that audacious!"

While still lost in her fantasy, Nanami arrived at their meeting place.

"Phew~ I think I'm a little early... Huh? Isn't that...?"

Yuuna had not yet arrived at their meeting place, but there was another familiar looking girl standing there. She was wearing glasses with her hair in a braid, and giving off an air of maturity. Nanami definitely recognized her.

"Um... Kitajima-senpai?"

"Huh? Oh, you're..."

When Nanami called out her name, the girl's eyes opened wide.

"Nanami-san, what are you doing here?"

"I'm... I uh... I'm here to meet Yuuna Onee-sama..."

"Oh, I'm also meeting Sara here."

The two exchanged glances. It seemed as though Kaede, like Nanami, was here to meet her lover, Kitajima Sara.

"I- I see... What a coincidence, huh?"

“It really is quite a coincidence that you would be meeting someone here as well, Nanami-san.”

The two shared an embarrassed grin as they exchanged pleasantries. And so, they each waited at that spot for their lovers to arrive...

“.....”

“.....”

A heavy silence hung between them. One would assume they might make idle conversation as they waited... But neither of them could find a topic they had in common. In Nanami’s case, she was afraid of being too familiar with an upperclassman, and as for Kaede, she just wasn’t the type to initiate a conversation. Even with two acquaintances standing so close to one another, nothing was being said. Before long, it began to feel awkward. Feeling the need to do anything to break the silence, Kaede made the first move.

“So, Nanami-san, about Yuuna-san...”

“Y- Yes? What about her?”

“Has she been busy lately with her committee duties?”

“She has... It’s been especially bad this semester. There have also been so many school events.”

Trying to think of something to talk about to relieve the tension, Kaede randomly selected Yuuna as her topic. Breathing a somewhat relieved sigh herself, Nanami began to talk about the committee’s activities. Once that topic was exhausted, it was now her turn to shift the conversation to Kaede.

“That reminds me, just the other day one of my classmates showed me a magazine with Sara in it.”

“The one that just came out, right? Sara was telling me how she thought the photo quality of her spread was particularly good in that one.”

“It really was. Sara-san is already beautiful to begin with, but those photos were really captivating.”

The ice broken, the conversation now flowed freely.

“I know! Wasn’t it though?”

The same thought occurred to both girls. While they weren’t very good at talking about themselves, when it came to their partners, there was loads to talk about!! And because each of them had such strong, distinct personalities, there were endless topics they could discuss. Even if the topic turned to The Madonna of St. Michael’s, Kaede felt confident she could somehow keep the conversation going. And if the topic was the school’s massively popular model, Nanami could go on for ages without worry. It now seemed as though the awkwardness they had felt just a few moments earlier had never happened, and the two began to chatter endlessly.

“Yuuna-san really, truly is something else, isn’t she?”

Kaede was the first one to speak highly of Yuuna.

"She's beautiful and her grades are top notch. It's no wonder she's considered St. Michael's idol... I have such admiration for her as one of my classmates."

"Th- Thank you..." Nanami thanked her with a smile as though it were she herself who had been complimented. In humility, she absentmindedly slapped the handbag she was holding.

"You're much too kind. After all, there are lots of others at St. Michael's who are just as amazing as her."

"But none so well known as Yuuna-san, I should think."

"That's not true at all. There's Sawaguchi-senpai, and Kirishima-senpai, and of course Sara-san... Oh!"

Suddenly worried her overblown modesty had done a disservice to Yuuna, Nanami hurriedly backpedaled.

"B- But Yuuna Onee-sama does have a lot of admirers at St. Michael's... She really is the ideal girl. The more I get to know her, the dreamier I think she is."

Her face blushed as she said those words. Now she was just bragging about her girlfriend. But she was simply speaking what was in her heart.

"....."

Although she had been openly praising Yuuna a moment ago, Kaede's face now twitched slightly. Hearing Nanami say those words with such glee made her want to make a rebuttal of sorts.

"Yuuna-san certainly is dreamy, Nanami-san... However... Sara seems to be quite charismatic amongst the first year students herself. I wouldn't be surprised if next year, The Madonna of St. Michael's is her."

"Pardon?"

"I've always admired her ability to keep up with her school work and model at the same time."

"Th- That's true... I see your point."

Hearing Kaede speak that way took Nanami by surprise. Without missing a beat, Kaede continued singing Sara's praises.

"Idols may come and go, but Sara has a true radiance about her, don't you think? And her smile is absolutely adorable!"

"Th- That's true... Oh, so is Yuuna Onee-sama's though..."

Hearing her talk Sara up like that, Nanami, not willing to be outdone, began to brag about her Onee-sama.

"Yuuna Onee-sama isn't just pretty, she's also incredibly kind!"

"Of course Sara is a wonderfully kind girl as well. Even though she's a popular model, she never flaunts it, and she spreads kindness throughout the entire school."

"Yuuna Onee-sama is the same way. In fact, she even does nice things outside of school like helping old people carry heavy bags..."

Carrying on as they were, it made one wonder when this became a one-up contest. With no one there to stop them, they both continued to escalate things, until eventually...

"Yuuna Onee-sama... Yuuna Onee-sama, um... is really good at kissing!!"

"K- Kissing?!"

“Yuuna Onee-sama’s kisses are amazing! Whenever she lavishes me with those mouthwatering kisses... It’s enough to make me go weak at the knees.”

“W- Well... Sara is really good at kissing too, you know. She’s really sensitive to them. It’s so cute.”

“Onee-sama’s are firm! She’s such a dirty girl! And while we’re on the subject, she makes love divinely... The way she uses her tongue is enough to make me lose my mind... Eeee!♪”

“Sara is extremely sensitive. It’s a cuteness you don’t get to see unless you’re torturing her♪ All I have to do is tease her a little more, and this sweet aroma wafts from her sex-soaked body♪”

“Y- Yuuna Onee-sama’s breasts are sooo soft... And they smell great too! That’s what heaven smells like!”

“Sara’s breasts have the cutest little nipples♪ And with her figure as a model, I’ll bet she draws everyone’s attention... But back to her adorable nipples. Being the only one she shows them to is what heaven is really like, don’t you think?”

They passionately continued their sexual praises out in broad daylight. With their competitive natures in overdrive, neither one was willing to back down.

“Haah... Haah... Yuuna Onee-sama is... Is really...”

“Sara... Sara is so cute, that...”

*Wee-Ooo-Wee-Ooo Wee-Ooo-Wee-Ooo*

In the midst of their heated conversation, a police car drove by, its siren blaring. Once again, all was silent... Their conversation had been interrupted, and the two of them suddenly snapped back to reality.

*“Just what sort of shameful conversation were we, two ladies of St. Michael’s, having out here in the open?”*

Exchanging looks, all they could do was hang their heads in shame.

“Ah... Ahaha, Sara-san certainly is late~”

“Y- Yes, it seems as though Yuuna-san has yet to arrive as well~”

They laughed, trying to shrug the whole thing off. It was as if to say, “Let’s forget that whole conversation ever happened.” They were definitely on the same page. However... That thought was soon shattered.

“...I was listening to you this whole time, Nanami♪”

“Eek! Y- Yuuna... Onee-sama...”

“Kaede-chan, I was listening to you too~♪”

“Y- You too, Sara...?”

It seemed as though the very people they had been waiting for had heard the whole thing. Nanami and Kaede’s heads were trembling.

“Um, I, uh, Onee-sama, we... I mean...”

“Nanami... I’m so glad♪”

“Huh?!”

“To know that you think so highly of me... Oooh, it’s just delightful♪”

Yuuna tightly embraced Nanami.

“Aiiee?! Onee-sama, wait a minute~”

“Uh-uh, I’m done waiting. After hearing you talk about what a good kisser I am, now I just have to give you the real thing... *chp♪*”

“Hyah, ahn... Not here...”

True to her word, Yuuna pulled Nanami close and gave her a kiss.

“Ah... Onee-sama, don’t... *nch*... People will see us...”

“I’m sorry, but there’s no stopping me now... *chp, chp, chp.*”

“Khhn, ahh... It’s so passionate, but... So embarrassing...”

“W- Wow... Out in the open like that... Wha? H- Hey, Sara?!”

“Heheheh, Kaede-chaaaan! I’m not going to let them have all the fun~”

“Aiieeee! Don’t squeeze me so tight... Ah!”

“You had some awfully nice things to say about me too, Kaede-chan. I love you~”

Holding her firmly, Sara buried her face in Kaede’s chest.

“Your breasts are so soft, Kaede-chan... They’re all jiggly♪”

“St- Stop, not here! ...Haah!”

“But I can’t help myself... *chp♪*”

Holding Kaede down tightly as she struggled, Sara planted a kiss on her.

“Kaede-chan, you like it when I’m naughty... Don’t you?”

“Y- Yes, just not... here?!”

“I don’t care who sees. Just give in, Kaede-chan... *chp, chp♪*”

“Ahhhn, what will I do with you, Sara... *nch*”
